- If a supervisor's visa application is rejected, it is the responsibility of the school or group to arrange for a new teacher to accompany the group.
- The organizing committee and sponsors will cover the transfer, accommodation, and event ticket expenses of one group supervisor for every 8 students during the program **in the U.S.**

The NEO Science Olympiad Committee reserves the right to change program details and the daily schedule without prior notice.

FLEXY PACKAGE

*For participants who prefer to arrange their own travel and accommodation, we offer the **FLEXY Package**, which provides access only to specific Olympiad events included in the package, without requiring participation in the full program. This option offers greater flexibility for those who wish to take part in the competition activities while managing their own schedules.*

SERVICES INCLUDED IN THE FLEXY PACKAGE

- Olympiad registration, 2 official T-shirts, an ID card, and a lanyard.
- Participation in a maximum of two main exam categories.
- Transfer from the main organization hotel to the university.
- Transfer from the university to Disney Springs, followed by a return transfer to the official organization hotel.
- Round-trip transfer between the main organization hotel and NASA Kennedy Space Center (KSC).
- Admission to NASA Kennedy Space Center (KSC).
- Participation in the award ceremony, including dinner.

SERVICES NOT INCLUDED & IMPORTANT CONDITIONS

- Any services not explicitly listed above are not included in the FLEXY Package.
- FLEXY Package participants are not eligible to participate in any challenges or additional activities beyond the 2 main exam categories (including AI, DIY, and other challenges).
- To use the included transfer services, participants must be present at the main organization hotel (Four Points by Sheraton Orlando International Drive) at the designated departure times.

FEES AND PAYMENT DEADLINES: (All payments are non-refundable)

Flexy participation fee: For a student: **$1,000** For an accompanying person: **$800**
** Accompanying persons are not eligible to participate in the exams. All other services included in the package are also provided to accompanying persons.*
Deposit Payment Deadline ($500): Before the invitation letter is issued
Remaining Amount Payment Deadline: Within 7 days of obtaining the visa.
Final Registration and Payment Deadline: January 15, 2027. All participants registered in the system must complete their payments by this date at the latest due to NASA security screening requirements, regardless of the status or outcome of their visa applications.

FLEXY PACKAGE CONDITIONS

- The most important point of this package is that individuals make their own hotel reservations and arrange their transfers during the program. All included and excluded services are clearly specified in the sections above.
- For FLEXY Package participants, it is important to arrive on time for their scheduled events according to the daily program. (These details, including times and addresses, will be confirmed two weeks before the program.)
- The NEO Science Olympiad Team reserves the right to update or modify the announced program between January 15-20, 2027 without prior notice to participants (including FLEXY Package participants). FLEXY Package participants are expected to follow the updated schedule accordingly.
- All FLEXY Package participants who have paid the deposit will receive an invitation letter for their visa application. An invitation letter is not required to schedule a U.S. visa appointment. Applicants only need to bring the invitation letter to their visa interview.
- FLEXY Package participants are responsible for planning all their transfers and free activities within Orlando, as well as making their own preparations. The NEO Team cannot provide guidance for these transfers or activities.
- FLEXY Package participants are strongly advised to have sufficient mobile internet access to use transportation apps, communicate via WhatsApp, and manage their travel arrangements in Orlando.
- Grand Final discounts earned through online exams are also valid for FLEXY Package participants.
- Please note that the award ceremony on February 5 is expected to end after 10:00 PM. Return transfers for FLEXY Package participants will also take place after the award ceremony, at the same time as all other groups.
- Participation in the award ceremony at NASA Kennedy Space Center is subject to NASA's security screening. The organizing committee must submit participant lists on January 20, 2027. MTO will make every effort to facilitate clearance but cannot guarantee approval for all participants. Those denied clearance may be unable to attend the ceremony; however, this shall not entitle them to cancel their program participation or receive any refund or reimbursement of fees paid.
- FLEXY Package participants will be informed about the daily reminders and program schedule via WhatsApp.
- For the top 3 ranked participants receiving 75%, 50%, and 25% discounts, the final prices are calculated based on the standard fee of $1,000, resulting in $250, $500, and $750, respectively. The discount is valid only for the student who earned it (not for accompanying persons).
