

JOINING A ZOOM MEETING WITHOUT AN ACCOUNT OR INSTALLED ZOOM PROGRAM

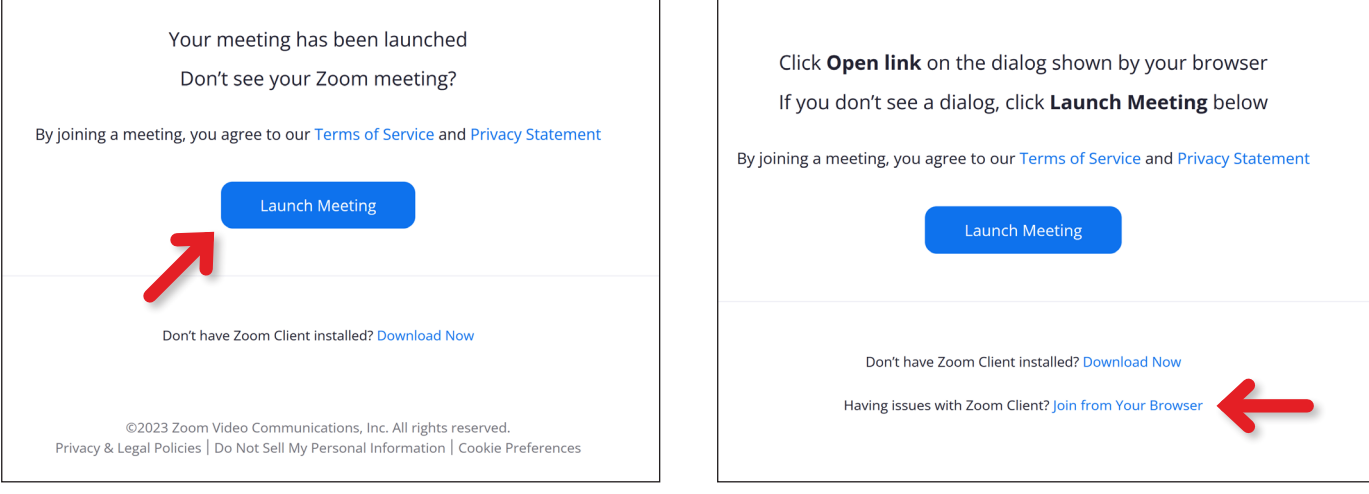

1 Click the **“Zoom Connect”** button.

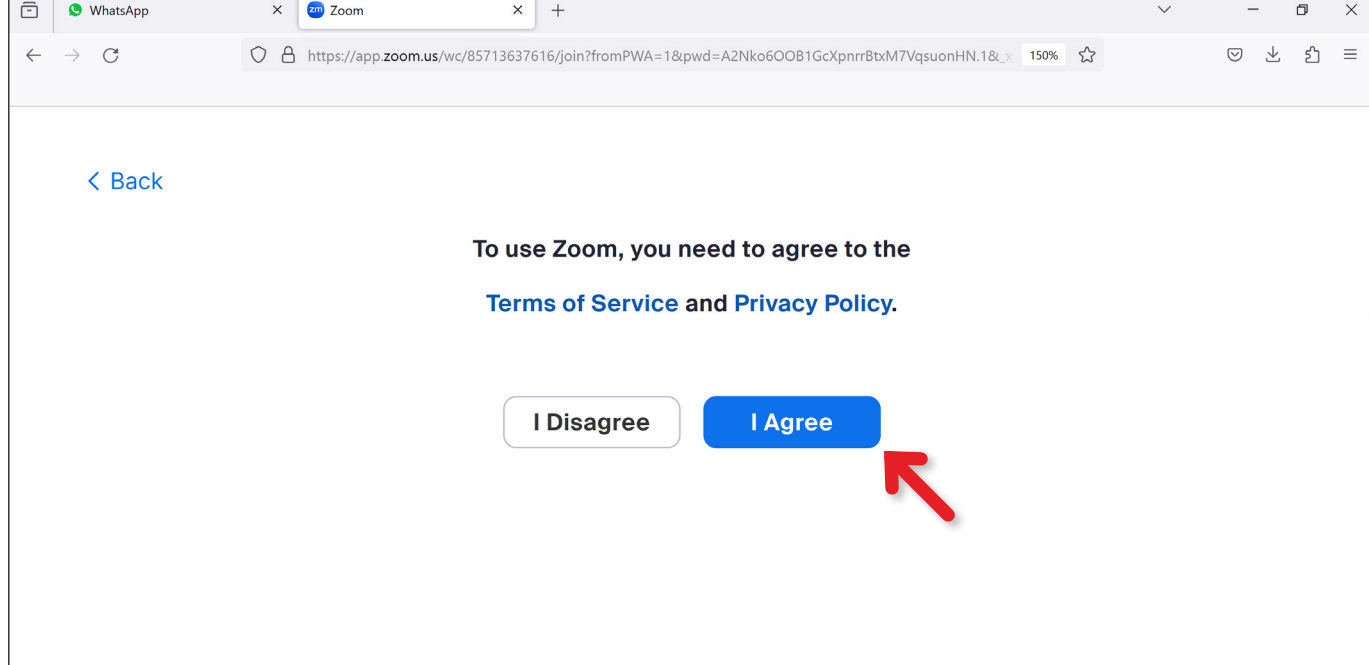

2 After selecting the Zoom Connect button, you will be redirected to your computer's browser. You have the option to either accept or decline cookies when asked by Zoom.

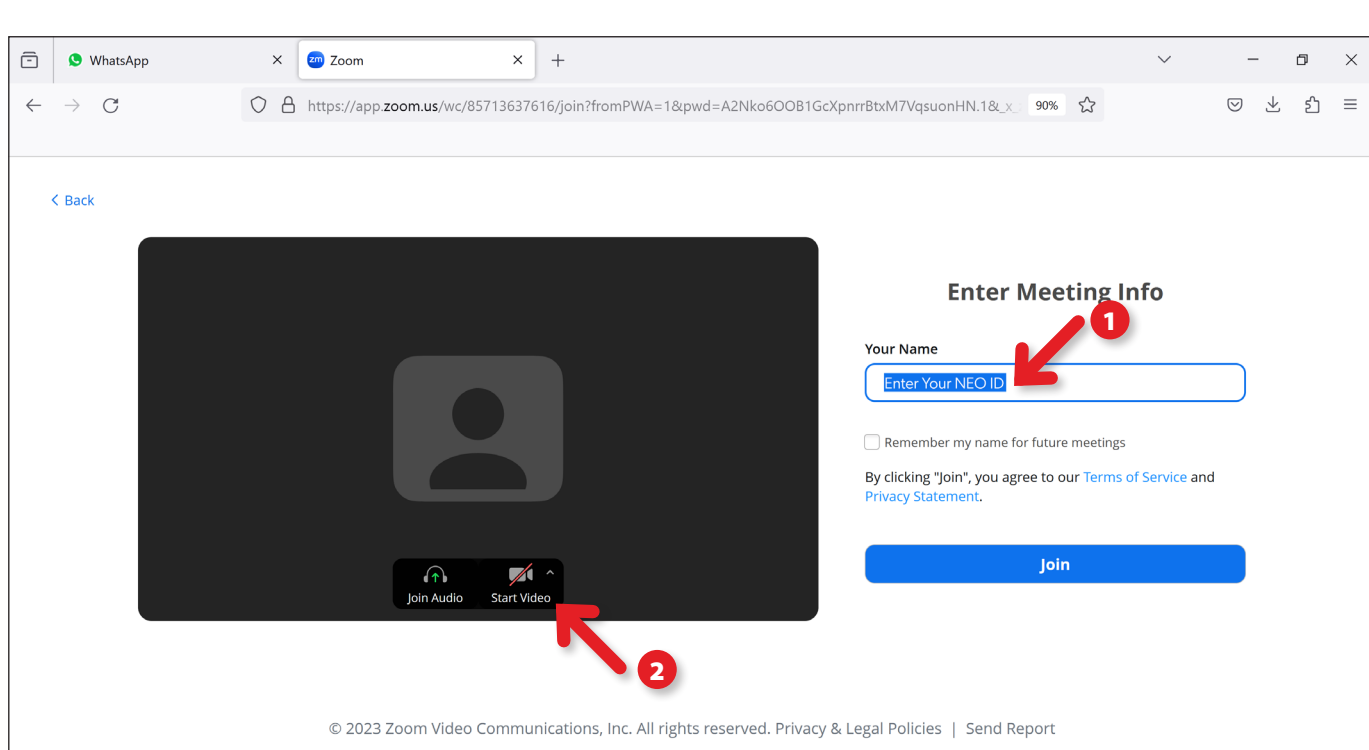

3 First click the **“Launch Meeting”** button. In the next screen, click the **“Join from the Your Browser”** link located at the bottom of the page.

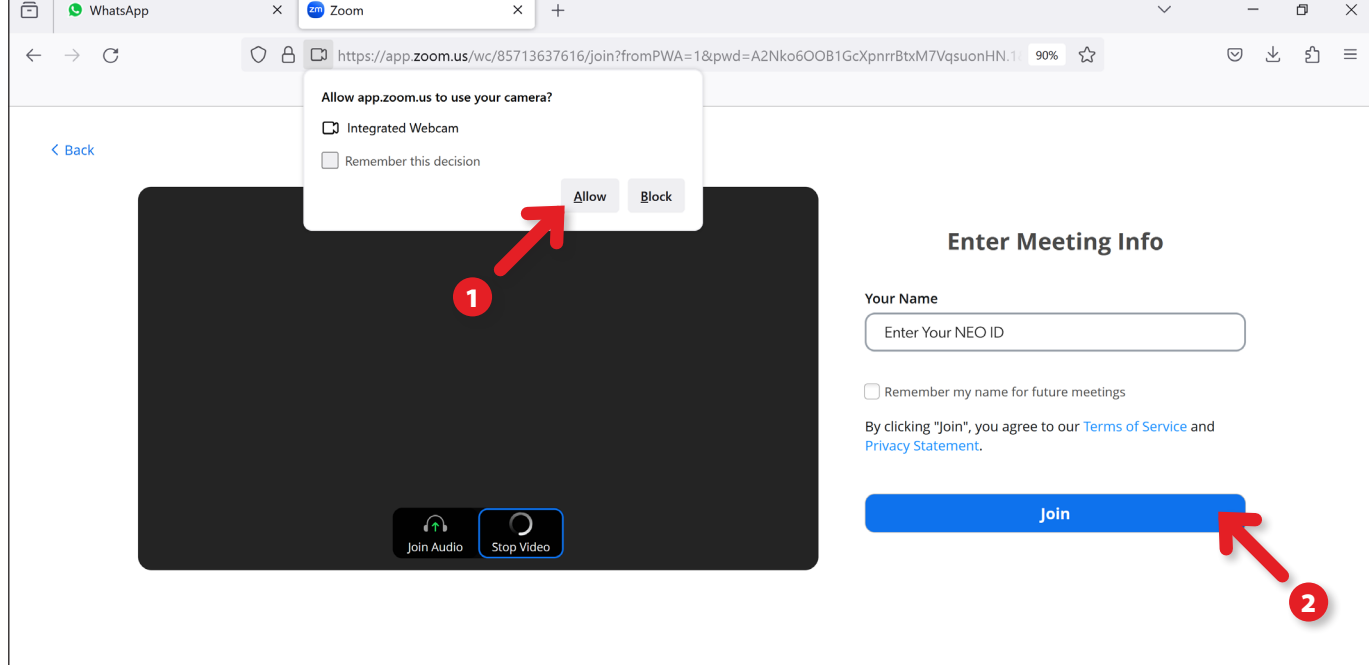

4 Click the **“I Agree”** button.

5 Enter your NEO ID into the designated space and press the **“Start Video”** button.

6 Select the **“Allow”** button in the following pop-up screen and click **“Join”** button to start Zoom session.

7 Each participant's Zoom Display Name must correspond to their NEO Student ID.

8 After confirming that you can see yourself on the screen, return to your NEO Student Panel. Please do not close the Zoom window.
